Women@Innovation

self-awareness, knowledge, passion:
keywords to succeed in science & technology

BOCCONI ALUMNI ASSOCIATION

***Why are there still so few women in science and technology?
What prevents women from accessing careers in STEM?
Is the planet missing an opportunity?***

**A conversation on best practices, personal experiences
and opportunities, on how women can emerge and succeed.**

About the speakers:

Natalia Bergamaschi:

Alumna 1995, Global Partnerships, Google, Inc.

Laura Indolfi:

Biomedical Engineer, TED Fellow and CEO & Founder of Panther Therapeutics, developing a revolutionary pancreatic cancer treatment
